Divisions Among the Saints.

The followers of Joe. Smith are not mere successful in keeping up their ranks, and keeping down divisions than other folks. Mormonism has assumed a bifurcated appearance of late years; and the wrangle going on between the two divisions promises not to lose any of its interest to the outside vulgar world for some time to come. As we have taken no stock in the differences between them—in fact we have no invitation to participate—we will state impartially as near as we can, the difference between the two factions. Young Joe Smith, the son of the Mormon Prophet, is the acknowledged head o the large body of Mormons in the Western states, who accept the "Book of Mormon" and the prophecies of Joe Smith; and he denounces polygamy and blood atonement as innovations on the faith of the Latter-day saints; and styles such practices grevious crimes against the well being of society. Brigham Young is the acknowledged head of all the Latter-day Saints in Utah, who accept the "Book of Mormon," the prophicies of Joe Smith, believe in polygamy, blood atonement and Brigham's special revelations. Joe Smith Jr., is determined to be recognized and acknowledged as the head of the Mormon Church; and Brigham is determined that he won't. Some of the Smith family came out here last summer to preach the "pure quill;" but they didn't run away with the people They met poor success. Brigham aired all that was left of the Smith family, one Sunday afternoon in the Tabernacle, including the wife of Joe. Smith, the Prophet; "who," he said, after pointing out all her other good qualities, "was the damndest liar he ever knew." Brigham is at home, in Utah. So, now, the Smiths are on their own dung hill in Iowa; and flop their wings, and stretch their necks, crow real loud, and have unanimously resolved Brigham Young out of office and young Joe. in. Some of the faithful think the prophetic mantle descended in a lineal manner to young Joe. Brigham thinks nothing of the kind—in fact, he knows better. Still for the sake of harmony and a good understanding all around, he is willing to accept the principle of "lineal descent," and apply the rule to his own family, from and after this date. In fact it is rumored that an application of this principle has already been made; and that Brigham, Jr., has been chosen "head" of the Church, and without doubt is the coming man. Joe. Smith, Jr., has about 40,000 souls under his wings, in the Western States, ready to back up his claims and aspirations. Young has double—treble perhaps—that number to back them down again. Some of the defective have left, and are leaving Utah, to enroll themselves under Joe. Smith's banner. Already two Josephite preachers are holding forth over at Austin, and may find their way into the Utah settlements this summer. This falling off will be more than made up for in the fall, when the Scandinavian emigration pours in here. On the whole, we are decidedly of the opinion that Brigham Young has much the advantage of the Smith family in both power and position.

The only curious feature about the whole matter is, to see "Saints"—for they all style themselves such—divided against each other; and one wing charging that the tenets of the other is a "swindle," and the head of it "a wicked imposter;" while the other wing looks upon its opponent as no better than speculates.

THEATRE.—The "Massacre of Saint Bartholomew" was massacred on Thursday night to a very slim house. Those having a taste for bloodless tragedy on the minnie boards were delighted and disgusted as anticipation rose and fell into disappointment How would it do to dramatize the "Mountain Meadow Massacre," and place it in course of rehearsal. It would draw crowded houses and have a splendid run, except in Utah Here is a "lay out" for some histrionic genius to make a fortune.

Omaha, June 18.

Dispatches say that the Governor has appointed O. P. Mason, Chief Justice of Nebraska, vice Little deceased.

Mr Reid Superintendant of the U. P. R. R., who has just returned from North Platte, says the work on the road will have to be abandoned unless there is more protection from attacks of the Indians. Gen. Sherman is at North Platte.

Columbus, O., June 19.

The Union State Convention, to-day nominated General R. B. Hays, Governor, on the first ballot.

New York June 18.

Santa Anna is undoubtedly now in Mexico for which country he left here five week ago. A translation is published from Matamoros pronunciamento disavowing on the part of the garrison of Tampico, his late pretended Government and recognizing Santa Anna as General in Chief of the Mexican Armies and President *ad interim* of the Republic of Mexico. One of the paragraphs of the pronunciamento protests against the action of Benito Juarez by which he had mortgaged the States from ulipas and San Luis Potosi to the United States for $5,000,000. The whole affair looks sensational.

New York June 19.

The *Express* has the following through private reliable sources: Juarez, having heard of the pronunciamento issued by the Government of Tampico in favor of Santa Anna, dispatched a large force against the place. On the morning of the 6th the Juarist General Hinjosa and Portion marched before Tuxpan. The small garrison were shouting the war cry of "Viva, Santa Anna," Viva, La Republic" They repulsed the party, killing a large number and caused the rest to fly to Panuco where they remained awaiting reinforcements from Queretaro, which were expected to reach them by the 20th.

ANOTHER SURLY SNARL.—The letter published in yesterday's VEDETTE from J. M. Ellis, has caused our contemporary the *Telegraph* to snarl once more. The cause of it was that Mr. Ellis insisted on doing a simple act of justice to the Rev. Norman McLeod, which it appears worked against the grain of our contemporary. It vents its spleen by indulging in a fling at our fellow citizens of the Jewish faith. We guess they can survive its displeasure. Its friendship is like a boa that coils itself around its victim and besliines it with foul saliva, that it may the easier engulph it. Here is the snarl, and sorry we are to see it:

TUCK.—Some folks gave this notorious religious mountebank $28 to pay to a newspaper publishing office in the east, and after keeping it eighteen months, he now apologizes to one of the house of Judah by saying he lost the names of the subscribers—of course it never occurred to him that he could learn their names by writing for them. A half bull dog, growling fellow was barking at every body yesterday who had anything to say against Tuck. We always raved Tuck as a great scoundrel and we think so still. He sold the livery of heaven to serve the Devil in and is worthy of all that was ever said of him.

NEW CATHOLIC CATHEDRALS.—On Sunday the 9th inst., the corner stone of a new Catholic Cathedral was laid at Omaha by Bishop O'Gorman. On the occasion the Very Rev. Dr. Brazill of Dubuque, Iowa, preached an impressive sermon.

The Archbishop of Saint Louis has purchased a site for a new Cathedral to be erected soon. Its cost is estimated at $2,000,000, and will be the most grand and imposing edifice when finished in America.

KEEPING PREJUDICE ALIVE.—A gentleman who has been traveling in Southern Utah, and whom we have reason to believe perfectly reliable, states to us that he has heard men in position in the Mormon Church, at different places below here, state to their audience on Sundays, that the Pacific Railroad was being pushed through by Government to crush out Mormonism and prosecute the Saints, more than for anything else. All such twaddle fails to do any good, and keeps alive a blind prejudice that is productive of mischief. If Mormonism can't stand railroads, telegraph wires and pneumatic tubes the advocates of it were unfortunate in selecting this location—right on the line, one would say.

SOME GRUMBLING.—It is whispered about town, in some quarters, that the tone of the VEDETTE is not in accordance with "Hoyle." If it don't fully suit, the grumblers should buy it out, and "run" a paper that will tickle their fancy. We are engaged in conducting this journal for the benefit of the public, and pray to be excused from seeing everything to admire, and nothing to condemn, in men and monopolies. We have no such exalted notions of their organism. If we unwittingly fall into error about either, we will be happy to make corrections, whenever the error is shown. In the meantime if they will send us a box of Havanas and a fan, we will connive at their irascibility, remain cool and tranquil, and edit the VEDETTE to suit ourself. How will that do? Say?

OUR MISSION.—We are commissioned not to "let up" in our laudable and noble efforts, until the "twin relic" is abolished in Utah, the mails arrive regularly, and Bingham Canyon is thoroughly explored. When the triple task shall have been consummated, and we are full of days, we will consent to be gathered to our fathers—but not before. If the moral suasion of the VEDETTE is not heeded more, the "dickens" will be to pay after a while. We claim to be no prophet, nor the son of a prophet, nor "son of a gun" even, but we can see a little cloud on the verge of the horizon, not larger than a man's thumb—it may be the car that conveys the spirit of storm, and darkness, and sorrows, and woes innumerable. Threatened maladies make their appearance only, in the neighborhood of diseases. So, take warning! Abolish polygamy right off; make schedule time with the mails; and let some enterprising explorers visit Bingham Canyon and test its mineral merits at once.

MADAME E F THORNTON, the great English Astrologist Clairvoyant and Psychometrician, who has astonished the scientific classes of the Old World, has now located herself at Hudson N Y. Madame Thornton possesses such wonderful powers of second sight as to enable her to impart knowledge of the greatest importance to the single or married of either sex. While in a state of transe she delineates the very features of the person you are to marry, and by the aid of an instrument of intense power, known as the Psychometrope, guarantees to produce a life-like picture of the future husband or wife of the applicant together with the date of marriage position in life leading traits of character &c. This is no humbug as thousands of testimonials can assert. She will end when desired a certified certificate or written guarantee that the picture is what it purports to be. By forwarding a small lock of hair and stating place of birth, age disposition and complexion, and inclosing fifty cents and stamped envelope addressed to yourself, you will receive the picture and delineation by return mail. ☞ A YOUNG LADY returning to her country home, after a sojourn of a few months in the City, was hardly recognized by her friends. In place of a coarse, rustic, flushed face, she had a soft ruby complexion of almost marble smoothness, and instead of twenty-three she really appeared but eighteen. Upon inquiry as to the cause of so great a change, she plainly told them that she used the **Circassian Balm**, and considered it an invaluable acquisition to any Lady's toilet. By its use any Lady or Gentleman can improve their personal appearance an hundred fold. It is simple in its combination, as Nature herself is simple, yet unsurpassed in its efficacy in drawing impurities from, also healing, cleansing and beautifying the skin and complexion. By its direct action on the cuticle it draws from it all its impurities, kindly healing the same, and leaving the surface as Nature intended it should be, clear, soft, smooth and beautiful. The Merchants' and Manufacturers'

JEWELRY ASSOCIATION

Calls your attention to the fact of its being the largest and most popular Jewelry Association in the United States. The business is and always has been conducted in the most candid and honorable manner. Our rapidly increasing trade is a sure guarantee of the appreciation of our patrons for this method of obtaining rich, elegant and costly goods. The sudden stagnation of trade in Europe, owing to the late German war, and the recent disastrous financial crisis in Europe, has caused the failure of a large number of Jewelry houses in London and Paris, obliging them to sell their goods at a great sacrifice, in some instances less than one-third the cost of manufacturing. We have lately purchased very largely of these Bankrupt Goods, at such extremely low prices that we can afford to send away Finer Goods, and give better chances to draw the most valuable prizes, than any other establishment doing a similar business. OUR AIM IS TO PLEASE, and we respectfully solicit your patronage, as we are confident of giving the utmost satisfaction. During the past year we have forwarded a number of the most valuable prizes to all parts of the country. Those who patronize us will receive the full value of their money, as no article on our list is worth less than One Dollar, retail, and there are no Blanks. Parties dealing with us may depend on having prompt returns, and the article drawn will be immediately sent to any address by return mail or express.

The following parties have recently drawn valuable prizes from the Merchants' & Manufacturers' Jewelry Association, and have kindly allowed the use of their names:

Frederick V. Browne, Esq., Treasury Department, Washington, D. C., piano, value, $450; Miss Anne L. Frost, Waverley Terrace, N. Y. City, Ladies' gold enameled and diamond set watch, value, $300; William B. Emmons, New Orleans, La., sewing machine, value $75; George L. Davenport, Mobile, Ala., silver tea set, value, $200; Miss Lucy Orcutt, Albany, Ill., sewing machine, value, $65; Mrs. Mary J. Downing, Louisville, Ky.; gold watch, value, $200; James B. Fowler, Harrisburg, Pa., silver hunting-case watch, value, $75; Rev. William Peyser, Milwaukie, Wis., Wheeler & Wilson sewing machine, value $125; J. J. Bickford, San Francisco, Cal., gold lined silver tea set, value, $300; Edward L. Rice, St. Louis, Mo., melodeon, value, $250; Miss Helen E. Sinclair, Detroit, Mich., diamond cluster ring, value, $225; Horatio G. Frost, Chicago, Ill., large oil painting, value, $300; Mrs Charlotte E. Hewins, Doniphan, Kansas, Chickering grand piano, value, $700, and music box, value, $65.

Many names could be placed on the list, but we publish no names without permission. Our patrons are desired to send us U. S. currency when convenient.

SOLDIERS! SOLDIERS!!

ALL CALIFORNIA AND NEVADA VOLUNTEERS who were mustered out of the United States service in New Mexico, Arizona, Utah, Nevada, and at certain points in California, can learn of something to their interest by at once sending their discharges to the undersigned Licensed U. S. Claim Agent.

The above refers to those soldiers who, in traveling from their place of discharge to the place of their enlistment, were obliged to expend more money for traveling expenses than was allowed them by the United States at the time of discharge.
